

## **FOR THE ELEVENTH CONSECUTIVE YEAR INTESA SANPAOLO PRIVATE BANKING SUPPORTS THE MARATONA DLES DOLOMITES**

*Corvara/Milan, 5 July 2024* - Once again this year, **Intesa Sanpaolo Private Banking** supports the **37th Maratona dles Dolomites** scheduled for **Sunday 7 July**, a long-distance cycling race that covers the most famous roads and passes in the Dolomites.

Italy's leading bank in the wealth advisory sector renews its partnership with this prestigious sporting event **for the eleventh straight year**, as **gold partner**.

For the second consecutive year, on 30 May, **Intesa Sanpaolo Private Banking** hosted the presentation conference of the event at Intesa Sanpaolo's **Gallerie d'Italia** in Milan, a symbol of Italian art and culture. The conference revealed the topics and statistics of this 37th edition.

**Cristiana Fiorini, appointed General Manager of Intesa Sanpaolo Private Banking**, commented: *"We are proud of supporting the Maratona dles Dolomites, the mother of all international long-distance races, for the eleventh year running. Mutatio is the theme selected for the 37th edition. Versatility and the ability to adapt to change are hallmarks of our wealth and financial advisory services. Intesa Sanpaolo Private Banking stands alongside our customers to provide the most effective and innovative wealth management solutions to manage all aspects of their assets"*.

### **Intesa Sanpaolo Private Banking**

Intesa Sanpaolo Private Banking is the Intesa Sanpaolo Group bank that specialises in providing financial services to private customers. Leader in Italy in the managed assets sector, and boasting an exceptional working team and widespread presence across the country, the Bank is part of the Intesa Sanpaolo Group Private Banking Division, a sound and established banking company in Italy and abroad. By being part of a Group that is active on a European level, a strong level of capitalisation, a widespread area of operations, and a deep pool of expertise and commercial opportunities are guaranteed, enabling the Bank to offer its customers a distinctive range of products and services in Italy and further afield. The company provides advanced advisory services and a series of highly customised investment solutions that vary based on the market, strategy, risk appetite and return, to support customers in managing their wealth or otherwise over time and at various stages of life. This is done with the goal of helping them with all their needs by implementing a comprehensive and intergenerational approach. The Group's expertise is available to the Bank, with the very best international managers at the customers' disposal. The banking offer includes: funds, SICAVs, individual portfolio management schemes, insurance products, alternative and private market products, placements of bank certificates and bonds, real estate consultancy and art advisory services, along with banking and financing solutions.
